VX400 End of Product Sale (EOPS) Notice

This document outlines the End of Product Sale for the VX400 product line and associated feature modules. Under this End of Life program, Sonus has a limited quantity of the VX400 system available. We are currently positioned to manufacture and ship 50 VX400s, and all systems available under this program will be available on a first come, first serve basis. Any request for quotes, orders, or solicitations will be accepted by sales only on confirmation of availability. Sonus is currently allocating the remaining inventory. Please contact your Sonus sales representative by July 31st, 2015 to ensure your requirements are considered in the allocation.

Please contact your Sonus representative to discuss tiered discounts for larger VX400 purchases.
